Disclosure:

Howard Capital Management, Inc. (HCM) offers its investment methodology through multiple programs that may invest in exchange traded funds, variable annuities and mutual funds. There is no certainty that any investment or strategy (including the investments and/or investment strategies recommended by your advisor), will be profitable or successful in achieving investment objectives. Please work with your financial advisor to determine which investment program is consistent with your financial objectives and risk tolerance. Please remember to contact HCM, in writing, if there are any changes in your personal/financial situation or investment objectives for the purpose of reviewing/evaluating/revising our previous recommendations and/or services, or if you want to impose, add, to modify any reasonable restrictions to our investment advisory services, or if you wish to direct that HCM effect any specific transactions for your account. A copy of our current written disclosure Brochure discussing our advisory services and fees continues to remain available upon request.

HCM has established a relationship with an unaffiliated provider of tax savings advice. There is a possibility that the third party entity may refer clients to HCM for investment advisory services, creating a conflict of interest, as recommendations to utilize the services of such third party may be made in the interest of receiving future advisory referrals, rather than basing such recommendation on a particular client's needs. HCM does not serve as a law firm or accounting firm, and no portion of its services should be construed as legal or accounting services. The client is under no obligation to engage the services of any third party service provider recommended by HCM. **<u>Please Note</u>**: If a client engages any recommended unaffiliated professional and/or entity, and a dispute arises thereafter relative to such engagement, the client agrees to seek recourse exclusively from and against the engaged professional and/or entity.
